Windermere Agents Serve the Industry

Windermere Southern California and its agents are proud of the extraordinary level of service provided to Coachella Valley real estate buyers and sellers; it is the quality they credit most for Windermere's success. In addition to serving their clients, Windermere agents are known for giving back to the communities in which they live, work and play. For a number of Windermere agents, this giving back takes the form of contributing their time, effort and experience to serving on the Boards of Realtors, the associations which help to manage and oversee the real estate industry. In the Coachella Valley, two Boards meet these needs: The Palm Springs Regional Association of Realtors, and the California Desert Association of Realtors. Every Coachella Valley real estate agent belongs to one or the other, and aside from membership, a number of Windermere agents are drawn to serving one or more terms on the Board of Directors. The desert's thriving real estate industry benefits from this involvement, and their work helps chart the course of real estate as the desert emerges from its most difficult period in decades.

Windermere extends sincere appreciation to John Burge, Agent, Palm Springs South office; David Cantwell, Managing Broker, Palm Springs Main office; and Randy Wiemer, Agent, Palm Springs Main office, for their service on the Palm Springs Regional Association of Realtors Board of 2011. Re-elected for next year, David Cantwell and John Burge (President-Elect 2012, progressing to President 2013) are joined in 2013 by Roxanna Canino, Palm Springs Main office.

Windermere also wishes to thank David Carter, Managing Broker, Palm Springs Midtown office; Don Rossignol, Managing Broker, Rancho Mirage office; and Cathi Walter and Sharon Rogers, Agents, Palm Desert San Pablo office, for their 2011 service on the California Desert Association of Realtors, with congratulations to both Cathi Walter and Sharon Rogers, re-elected to the 2012 Board. "Our agents represent the best in the business," said Bob Deville, co-owner, Windermere Southern California. "When they contribute their knowledge and experience by serving our industry's organizations, we all come out on top."
